

Ready-to-use BCA Protein Assay Kit

Key Features

Pre-diluted BSA standards

Saving time, reducing chances for pipetting errors

High stability

Cat. No.

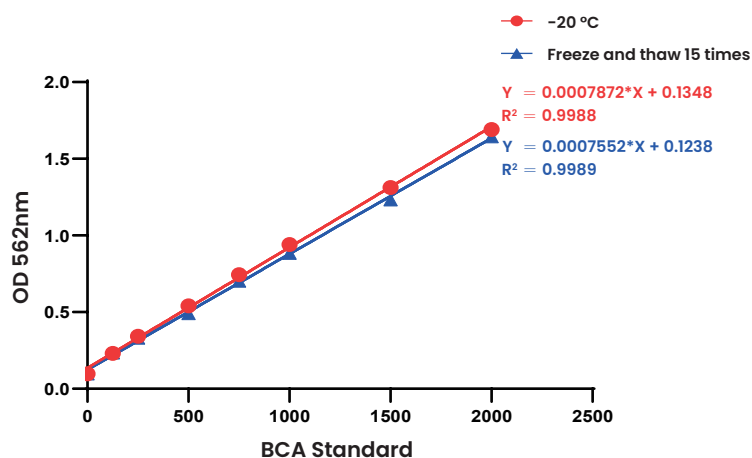

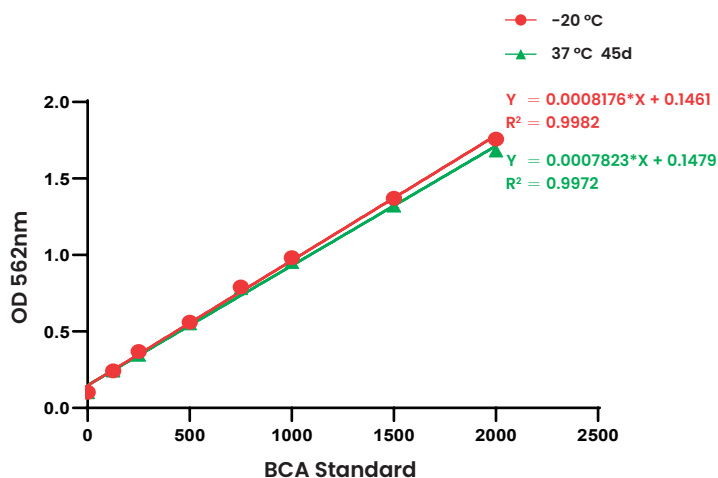

Size

BH5484-500

500 Assays

BH5484-2500

2500 Assays

Stored at 37 °C for 45 days, and after 15 times freezing and thawing, BSA protein standards continue to exhibit excellent performance.
