

Pathfinder Lab Program

Grow with Pathfinder — empowering postdocs to explore, discover, and lead

The Pathfinder Lab Program is a growth-driven partnership created to accompany postdoctoral researchers as they chart their own scientific path.

Register today and we'll support your path by offering:

1. Exclusive cost savings

- a. One-time 50% discount on ALL reagents, up to \$5,000 value
- b. One-time 50% discount on ALL consumables, up to \$5,000 value

2. Academic YamayBio team supporting

- a. Product selection and experimental setup consultation
- b. Regulatory and compliance guidance

3. Co-creation with YamayBio social media accounts

- a. Share case studies, lab experiences, or collaborative publications
- b. Inspire fellow scientists to find their own path

*This offer is valid for customers located in participating regions (currently the U.S., excluding Puerto Rico). Healthcare professionals are not eligible to participate. Eligibility determinations are made solely at the discretion of the program organizer. The discount applies to the list price in effect at the time the order is received. This offer cannot be combined with other discounts, promotions, or contract pricing. The offer is void where prohibited, licensed, or restricted by federal, state, provincial, or local laws, institutional policies, or funding requirements. All transactions made under this program are conducted in good faith and at arm's length between buyer and seller. Participants are responsible for ensuring that any discounts or price reductions received are properly and accurately reported and disclosed in accordance with applicable laws and institutional policies. The program details, eligibility criteria, and discount terms are subject to change or termination without prior notice. For Research Use Only. Not for use in diagnostic or clinical procedures. Other restrictions may apply.
